It's a matter of evi-dence—strong enough and complete enough to warrant the makers of Dr. Pierce's Golden Medical Discovery in promising this: If it's taken in time and given a fair trial, they'll refund the money in any case where their medicine fails to benefit or

where their medicine rais to concern or cure.

But it's a medicine that doesn't fail; it goes to the root of the trouble. Consump-tion is developed through the blood, and must be cured in the same way. It's a scrofulous affection of the lungs—a blood-taint. And the surest remedy for Scraf-ula in all its forms, the most potent blood-lesses of the lungs—and deshcleanser, strength-restorer, and fiesh-builder known to medical science, is the "Golden Medical Discovery." It cures Scrofula: it cures Consumption; it cures all Bronchial, Throat, and Lung affec-tions, Asthma, Weak Lungs, Severe, Lin-gering Coughs, and kindred ailments.
